

LIGHT MY JOURNEY

Leadership Information

1. Each ward is to send 1 leader per quorum/class; a total of 3 YW leaders and 3 YM leaders. If your ward needs additional leaders to appropriately manage the number of youth in your ward, please submit the number of extra leaders you need to the Stake YM/YW Presidencies. Once the number is approved, you can ask other leaders to fill those extra approved spots.
2. Ward leaders will be given their own schedule and specific assignments during the day from the stake.
3. You will be responsible for dessert for your ward on the first night after bishops fireside.
4. Each evening you will have a ward cleaning assignment from the stake.
5. Camp site equipment for your ward: There will be a YW area and a separate YM area. You are responsible for your tent and camping equipment for your ward youth and leaders. (Not to include any stake leaders who will be attending from your ward) See suggested ward packing list below.
6. The stake will provide all meals so no cooking equipment is required.
7. There will not be any fires/coals unless Camp Heber gets a lot of rain between now and camp.
8. No cars or motor vehicles allowed in camp. They must all be parked by the gate.
9. Bathrooms and showers provided.
* Limited showers per person (only during scheduled times)
10. Ward Set Up Time:
Because Tuesday (the first day of camp) is going to be full of activities, all wards need to set up their camp sites on Monday, June 4th. We understand that this requires two trips up for some of your ward leaders. By doing this, the logistics will have already been taken care of and the leaders and youth will be able to participate in the activities which start Tuesday morning. (Security will be at camp after equipment is setup.)
10. All youth and leader equipment must be sent up and delivered to camp by your ward before camp. Only small backpacks will be allowed on the bus. Most leaders will be riding buses up to camp so we can limit the number of cars at camp.
11. Each ward should provide 1 YW leader and 1 YM leader that are NOT attending camp to be in charge of your ward check-in table. They need to arrive at ALA at 7am on the morning of June 5. They should bring/take home a folding table and two chairs. All lanyards and check-in materials will be provided by the stake.
12. Everyone should eat breakfast at home on June 5 before coming to camp. Lunch will be provided at camp.
